

Changing the *Paradigm*

*Seeing the
Person with
Dementia
Differently*

Tuesday, November 17
Noon–1:00 pm

Join us for a Virtual CEU!
presented by

Judy Berry

Founder, Dementia Specialist Consulting

Judy Berry is the founder of Dementia Specialist Consulting and the LR Model of Specialized Dementia Care. Her expertise is in family dementia coaching, care coordination for families and professionals and specialized staff and professional training. An educational and inspirational speaker, Judy is the 2010 recipient of the RWJF Community Health Leaders Award and the 2011 Purpose Prize Fellow.

Class Objectives

Participants will:

1. Identify your own perception about what happens to persons with dementia as their disability progresses and they can no longer communicate
2. Learn about the heightened emotional & spiritual needs of persons with dementia
3. Learn to read the "Non-Verbal Language"
4. Learn Why Flexibility with Care AND Validation of the PERSON within is KEY!
5. Tips for caregiving during the Covid pandemic
